

Question/Guess/Answer Anticipation Guide

1. List questions (at least 1 per heading) about a topic before you read about it.
2. Write in the box under “My Answer” what you think is the answer.
3. Read the text.
4. Write in the box under “Text Answer” what the answer is if you did not guess it for “My Answer”.

(You may write these out horizontally if there is not enough room in this graphic organizer.)
